## Valsesia

The **Rio Laghetto Classic** route is more technical than the Sorba, but it is also suitable as a first experience for those seeking a challenge. Your adventure begins with an introductory briefing on safety and basic canyoning techniques, led by a certified expert. After putting on the necessary gear, you will venture into the heart of the canyon, surrounded by an extraordinary environment. Crystal-clear waters, rock formations shaped by millennia of erosion, and breathtaking views will accompany you along the route. You can jump from various heights (optional), slide down beautiful natural slides, swim in transparent pools, and rappel down a stunning 30-meter waterfall using ropes. The route offers the perfect mix of adrenaline and fun, always under the supervision of expert guides who ensure maximum safety. The journey includes approximately 20-25 minutes of walking, starting directly from our base, and a short 5-minute walk to the exit.
