## Francavilla al Mare

The excursion starts at 6:00 PM with a meeting point at the Francavilla al Mare train station (Piazza Benedetto Croce 1). You will be welcomed by our staff and an expert guide for a brief introductory briefing of about 15 minutes, during which you will receive all the technical and safety information needed to fully enjoy the excursion with peace of mind. After receiving the complete equipment (canoe, paddle, life jacket, and dry bag), we will move to the nearby cove of Largo Modesto della Porta, the ideal starting point for the excursion. We will begin paddling along the coast, in calm and shallow waters, following the guide and maintaining a pace suitable for everyone. During the tour, you will be able to admire the sunset over the Adriatic Sea, with the sky painted in warm and spectacular shades. There will be scenic stops to relax, take photos, or simply enjoy the landscape. Upon request, it is possible to add a sunset aperitif directly on the beach, making the experience even more special.
